Choosy Kids Club Theme Song

Everyday's got a thousand way's to stay busy to spend my time
But I'm makin sure I do what's right for my body, my heart, and
my mind

And there's nothin' better then gettin' together with my friends
who realize

That we should choose a healthy attitude of eating right and
exercise

Chorus And that's why I love being in the Choosy Kids Club
I love being in the Choosy Kids Club

We're on a mission of good nutrition
But eating right is just part of the plan
And we're workin out, so years from now
We'll be the best we possibly can

Chorus And that's why I love being in the Choosy Kids Club
I love being in the Choosy Kids Club
I love being in the Choosy Kids Club
I love being in the Choosy Kids Club
