Like Choosy

Everybody clap your hands,
And make your **body** do a **dance** and then...

Everybody move your feet,
'Cause I'd like **you** all to **meet** a **friend**.

Choosy lives a **healthy** life
'Cause he likes to **exercise**, oh yeah
Always **watching** what he **eats**
Each and **everyday** of the **week**.

CHORUS

I wanna be **healthy** my whole **life** long
(like **Choosy**)
Wanna make sure I **grow up strong**
(like **Choosy**)
So **I'll** live a Choosy **life everyday....**

All the **kids** in school,
Should know that **Choosy** really **rules**,
Uh-huh
I wanna **tell** my neighborhood
That **I'm** always feeling **good** because,

Everyday and every **night**,
I'm gonna treat my **body right**, so **right**
A **Choosy** life is **fun**
So I'm **starting** while I'm **young**, oh yeah

CHORUS

I wanna be **healthy** my whole **life** long
(like **Choosy**)
Wanna make sure I **grow up strong**
(like **Choosy**)
So **I'll** live a **Choosy** life **everyday....**

When **you** have to make a **choice**
And you **hear** a little **voice** inside
Telling **you** what to **choose**
That's **Choosy helping** you decide

So you better **call** some **friends**
And tell em it's really **awesome** when **you**
Use your **head** to help your **heart**,
If you're **healthy** then you're **smart** so **choose**

To be **healthy** your whole **life** long
(like **Choosy**)
make sure you **grow up strong**
(like **Choosy**)
and live a **Choosy life....**

CHORUS

I wanna be **healthy** my whole **life** long
(like **Choosy**)
Wanna make sure I **grow up strong**
(like **Choosy**)
So **I'll** live a **Choosy** life **everyday....**

Everyday!
