

Skipping

OK **everybody** are you **ready** for the Choosy skipping song?

Cool, when you **hear** “boop” that’s a **step**

When you **hear** “woo” that’s a **hop**

First thing we do is take **four** steps then hop.

Let’s try it

1...**2**...**3**...**4**...hop....let’s do it again
1...**2**...**3**...**4**...hop

You’re really doin’ **great**
Well now take one step away

1...**2**...**3**...hop....let’s do it again
1...**2**...**3**...hop

That wasn’t too hard to do
Now instead of three steps take **two**

1...**2**...hop.....again
1...**2**...hop.....again
1...**2**...hop.....one more time
1...**2**...hop

Well, now I think **you** know
How skippin’ is suppose to **go**

Choosy says “everybody one step and one hop over and over.....Step hop – double time

Choosy say’s “shake it out”
Step hop – *double time*

Now were skippin’ along
To the Choosy Skippin’ song
