

I'm Moving, I'm Learning

I'm learnin **what, what, what...** kids: "what, what, what"

What my **body** does.... kids: "what my body does"

Like bend... and stretch....

(2nd time: like twist... and turn)

I'm learnin **how, how, how....** kids: "how, how, how"

How my **body** moves.... kids: "how my body moves"

Like fast.... And slow....

(2nd time: like start... and **stop**)

I'm learnin **where, where, where...** kids: "where, where, where"

Where my **body** moves....kids: "where my body moves"

Like **high**.... And **low**....

(2nd time: like **forward**... and **backward**)

I'm moving **with, with, with....** kids: "with, with, with"

With my **Choosy** friends.....kids: "with my Choosy friends"

Now everybody **dance** and **sing**

Everybody **dance** and **sing**

"I'm moving, I'm **learnin**,

I'm moving, I'm **learnin**,

I'm **learnin** to move, and

I'm moving to **learn**,"

So come on **everybody** help me

Sing this song

"I'm moving, I'm **learnin**,

I'm moving, I'm **learnin**,

I'm **learnin** to move, and

I'm moving to **learn**, so I have

A **healthy** body my whole **life** long."
