

Birthday Song

Another **year** down
Another **year** goes by
You're just a little bit older, just a bit more **wise**.
So let's **celebrate**
Come on throw your hands up
A year of smart choices in the **Choosy** Club

And show your **C**'s if you're down with me
Cuz that's the way to go
Yah, that's the way to be

Today **I** am going to kick it with my Choosy **friends**
In another **365** we'll do it again - 4 X's

Chorus (2X's)

It's your **Birthday**
Let's have a **party**
Let's do it **your** way
Because **you**'re the one we're here for

In another **365** we'll do it again

Chorus (2X's)

It's your **Birthday**
Let's have a **party**
Let's do it **your** way
Because **you**'re the one we're here for
