

## Brush My Smile

From: Choosy Nation CD

I want happy healthy teeth  
And a happy healthy smile  
Tooth brush, tooth paste  
(Help me brush my smile!)

“Choosy says you need clean teeth  
to be healthy! Don’t rush and that  
means take your time.”

(Just a little on the middle of my  
brush  
Don’t rush, don’t rush) (x2)

I brush them left and brush them  
right  
I brush them in the morning and  
every night

Choosy says, don’t rush when you  
brush!

I want happy healthy teeth  
And a happy healthy smile  
Tooth brush, tooth paste  
I’m ready to brush my smile

(Just a little on the middle of my  
brush  
Help me brush, help me brush) (x2)

My teeth on the bottom My teeth on  
top  
I brush ‘em till they’re clean and I  
won’t stop  
Choosy says, Help me brush, help  
me brush!

I want happy healthy teeth  
And a happy healthy smile  
Tooth brush, tooth paste  
I’m ready to brush my smile

(Just a little on the middle of my  
brush  
Don’t rush, don’t rush) (x2)

I brush them up and down until  
they’re white  
I brush them after meals  
And I’m doin’ it right!  
Choosy says, don’t rush when you  
brush!

“Take your time...”

(Yeah like that, yeah like that  
Don’t rush, don’t rush) (x2)

“Now everybody say, AHHHH that’s  
clean! (AHHHH that’s clean!)  
Now show off your happy, healthy  
smile.”
